A photograph of two Black women smiling. The woman on the left has long, dark hair and is wearing a pink off-the-shoulder top. The woman on the right has curly hair and is wearing a white top. They are both smiling broadly, showing their teeth. The background is a plain, light color.

As a black professional woman, often we don't have access to the same resources that others do. That is why we need programs like 5280 Business Professional Women (BPW). This program aims to advance business opportunities for women of color by giving them access to resources and support they wouldn't otherwise have. Being a part of 5280BPW you not only gain invaluable knowledge but connections with other successful female business professionals around Denver who are leading the way in our community – providing inspiration and motivation along your journey. Joining BPW isn't just a recognition of success, it's an investment in yourself: one that will pay off twofold! Join today.
